EngenderHealth: Advancing gender equality in and through SRHR

Strategy and programs overview
Vision and mission

**Vision:** A gender-equal world where all people achieve their sexual and reproductive health and rights.

**Mission:** To implement high-quality, gender-equitable programs that advance sexual and reproductive health and rights.
We know the change we want to see and be in the world. Our commitment is to strive for equality in and through sexual and reproductive health and rights programming.
Key thematic areas

SRHR, Including Comprehensive Contraception & Abortion Care

Maternal & Obstetric Care

Gender-based Violence

Transforming Gender Norms

Meaningful Youth Participation

Systems Strengthening
We are committed to:

- Holistic, locally led programs
- High-quality, evidence-based programming
- Walking the talk on gender equality
- External accountability (e.g., Global Health 50/50)

- Local Civil Society Organizations
- Governments
- Media
- Donors
EngenderHealth impact in FY20

**Direct service data**

- **19,580** health care providers trained
- **2.5 million** people received contraceptive method of choice
- **125,940** clients reached with comprehensive abortion/post-abortion care services
- **851,000** people educated on SRHR (not including those reached through mass media)

**Impact calculated**

- **1.15 million** unsafe abortions averted
- **4,700** maternal deaths averted
- **4.2 million** unintended pregnancies averted
- **$276 million** saved in direct healthcare costs
Thank you!
